WHAT PRECAUTIONS ARE WE TAKING?

Long Island Healing Arts & Learning Center is committed to running a safe environment for all who enter our sacred space.

We're stepping up our daily maintenance routines by cleaning high-traffic areas and high-touch surfaces multiple times throughout the day. This includes door handles, banisters, light switches, and any surface in common areas, like the front desk, treatment room and back room.

At this time everyone is required to wear a mask and when handling items gloves are required.

Sheets and blankets have been removed and replaced with single use paper products. Treatment tables, headrests and all surfaces that may have been touched will be disinfected after each treatment.
